DULWICH

discover DULWICH

Discover Dulwich and its surrounding areas by walking from North Dulwich Station, through the heart of Dulwich Village and south towards Sydenham Hill. Stop and find out about the many interesting sites which are detailed at five history panels along the way.

The walk takes you past buildings established in 1619 by leading actor Edward Alleyn who purchased the Manor of Dulwich and created a charitable foundation.

1. North Dulwich

Location: North Dulwich Station

North Dulwich Station

Grade II listed building by Charles Barry Junior, built in 1866

The Dulwich Estate is a registered charity originating from Edward Alleyn's 1619 foundation, to offer educational opportunities to children and care for older people. We invest income from the land and property we own, to enable education for young people, provide homes for older people in need and look after Christ's Chapel of God's Gift at Dulwich.

We help maintain the vibrant neighbourhoods and green spaces unique to Dulwich.
